STICK

La raffinatezza del calore

Stick

Essenziale, raffinato, contemporaneo

Stick è il radiatore a bassa tensione progettato per arredare ogni tua stanza con uno stile unico e inconfondibile. Le sue linee eleganti e il profilo salvaspazio di appena 4,5 cm di larghezza trasformano un elemento funzionale in un vero oggetto di design.

Stick is the low-voltage radiator designed to furnish any room with a unique and unmistakable style. Its elegant lines and space-saving profile, just 10 cm in depth, transform a functional element into a true design object.

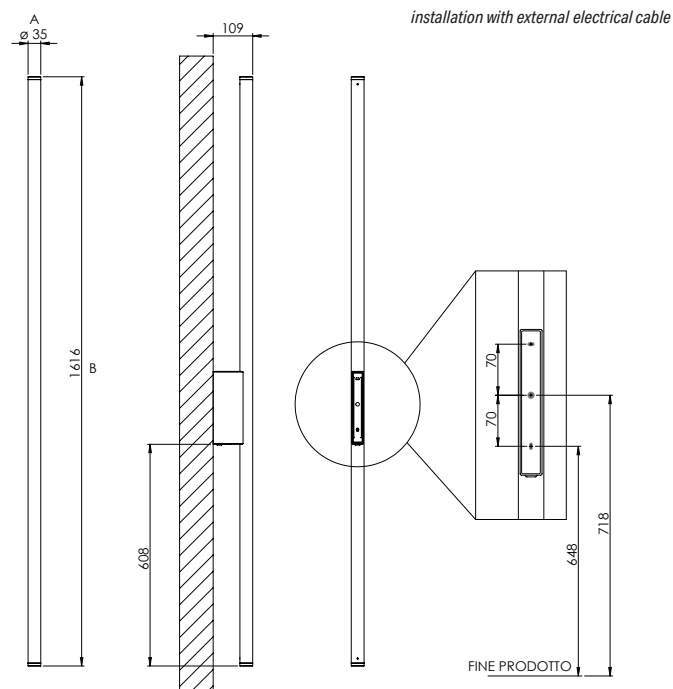

Stick es el radiador de bajo voltaje diseñado para dotar a cualquier habitación de un estilo único e inconfundible. Sus elegantes líneas y su perfil compacto, de tan solo 4,5 cm de ancho, transforman un elemento funcional en una auténtica pieza de diseño.

Stick

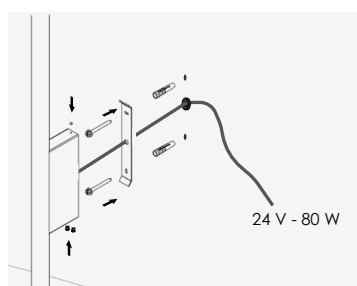

molto più di un radiatore
